CONTINUATION OF COMPLAINT:**Salvador PONCE-Garcia****PROBABLE CAUSE STATEMENT**

I declare under the penalty of perjury that the following statement is true and correct:

On February 9, 2008, Border Patrol Agent F. G. Herrera III was performing line watch operations near an area known as Smugglers Canyon. Smugglers Canyon is approximately three miles west of the San Ysidro, California Port of Entry and is approximately two-hundred yards north of the United States/Mexico International Border. Smugglers Canyon is an area notoriously used by undocumented individuals attempting to further their illegal entry into the United States.

At approximately 3:30 a.m., the central infrared scope operator advised Agent Herrera via agency radio that he observed several individuals cross the International boundary fence into the United States from Mexico. The scope operator advised Agent Herrera that he observed the individuals run north into some brush in Smugglers Canyon. Agent Herrera responded to the reported location and searched the brush. After a brief search, Agent Herrera saw two individuals, one who was later identified as the defendant **Salvador PONCE-Garcia**, laying in the brush attempting to hide. Agent Herrera identified himself as a U.S. Border Patrol Agent and questioned each of the two individuals as to their citizenship. Each of the two individuals, including the defendant, freely admitted to being citizens and nationals of Mexico illegally present in the United States. At approximately 3:40 a.m., Agent Herrera placed the defendant and the other individual under arrest and transported them to the Imperial Beach Border Patrol Station for processing.

Routine record checks of the defendant revealed a criminal and immigration history. The defendant's record was determined by a comparison of his criminal record and the defendant's current fingerprint card. Official immigration records of the Department of Homeland Security revealed the defendant was previously deported to Mexico on **January 24, 2008** through **San Ysidro, California**. These same records show that the defendant has not applied for permission from the Attorney General of the United States or his designated successor, the Secretary of the Department of Homeland Security, to return to the United States after being removed.

Executed on February 10, 2008 at 9:30 a.m.

Terri L. Dimolios
Senior Patrol Agent

On the basis of the facts presented in the probable cause statement consisting of 1 page(s), I find probable cause to believe that the defendant named in this probable cause statement committed the offense on **February 9, 2008**, in violation of Title 8, United States Code, Section 1326.
